

Millersville University
Millersville, PA

Millersville University UTR Events – July 8-9 and Aug 19-20

Players will receive Universal Tennis Rating (UTR) credit for all matches played.

Registration fee: \$45 (USTA membership is NOT REQUIRED.)

Minimum number of matches for each player in this tournament: 3

Match, set and game scoring: Best of 3 full sets, No-Ad Scoring

REVOLUTIONARY FORMAT:

All matches will be created based ONLY on level of play, regardless of age or gender, to provide better developmental opportunity and better opportunity to positively impact one's UTR. High school players, college players, juniors, adults, males, and females WILL ALL COMPETE AGAINST EACH OTHER based solely on LEVEL OF PLAY.

Draws will be Level-Based and will provide very tight ranges of UTR within each draw so be sure to provide valuable match experience and opportunity to improve UTR's. Every effort will be made to accommodate the level of each player.

Coaching will be allowed by a professional coach who has checked in as a player's coach at check-in. Coaching can happen at changeovers and set breaks, within the regular pace of play. Coaches are not permitted on-court. Parents who are not professional coaches should take into consideration that it could be better to just watch and cheer rather than get involved in a coaching capacity. Coaching that is outside of the boundaries set by the USTA/ITA will be discouraged by the Tournament Director.
