Re: Track/Turf Regulations

The Oley Valley School District requests your cooperation in maintaining our all-weather track and turf facility by abiding by all posted rules and regulations. These regulations can be found posted at each entry gate to the track/turf. The track is open to all community members when school-sponsored events are not taking place and the community is encouraged to get active and utilize this great facility in their quest for a healthy life. The track lights will be on each night until 9:30PM. A calendar of track and turf usage can be found on the school district website under athletics.

As a reminder:

- Sneakers may be worn on either surface
- Track spikes may not exceed 3/16"
- No metal cleats may be worn on either surface at any time
- Joggers and walkers are asked to use the outside three (3) lanes
- No bikes, skateboards or rollerblades
- No pets are permitted on the track or turf
- No chewing gum
- No colored beverages – water only
- Tobacco products are prohibited on all school property

There may be times when the track and turf are closed for maintenance or winter weather. When this occurs the fence gates will be closed and locked. Use of the facility when the gates are locked is strictly prohibited.

Your cooperation in following all posted regulations is greatly appreciated. Together we can maintain a great facility and enjoy its use for years to come. If you have any questions regarding the use of the track and/or turf please contact Mr. Timothy Rhoads, Athletic Director at 610-987-4111.

Sincerely,

Timothy R. Rhoads, CMAA  
Director of Athletics  
Oley Valley School District
