**Escorted by:** Parents and sister (Reese)

**Comments:** I want to thank all my family for being supporters and friends through it all. I have had Bryce Johnson and his dad Blaine for the last 4 years. I have grown to love both of them and this program and I will be sad to see it end and I will miss it when I leave. I hope that I had a good impact on this program and the people in it. Because they have had such a big impact on my life and I will remember this place for the rest of my life.
