Dear Northwest Community Members and Business Partners,

My name is Kevin Wilhelm. Myself and Brandon Schon are contacting you on behalf of the Northwest Booster Association. The Northwest Booster Association is hosting its annual Golf Outing on July 21, 2024 at Pebble Creek Golf Course. Proceeds from this event go to fund the Northwest High School Athletic Department which in turn directly impacts students who participate in sports and clubs. This is the only major fundraiser that benefits the Northwest High School Athletic Department. Northwest High School is a Title I school and 50% of our students are considered impoverished. Any donation you can make, whether it be sponsoring a hole, or an item that we can put in a gift basket for our raffle would be greatly appreciated.

Checks can be made out to Northwest Booster Association and mailed to:
