### **Chatham County Schools High School Athletic Participation Packet**

Instructions, Eligibility Rules, Preparticipation Physical Evaluation (PPE), and Concussion Information

Instructions: This packet must be completed in its entirety prior to being eligible for athletic participation. Please note that there are twelve (12) pages to this packet and eight (8) of them must be completed. Incomplete pages will delay your athletic participation.

Use the following checklist to determine if the Chatham County Schools (CCS) High School Athletic Participation packet is complete:

- o All student and parent contact information (page A.)
- Current sport planning to participate in (page A.)
- o Conviction section is complete (page A.)
- o Request for Permission Sports not allowed to participate in are listed (page A.). Please note: CCS Interscholastic Sports are basketball, baseball, cheerleading, cross country, football, golf, lacrosse, soccer, softball, swimming, tennis, track, volleyball, and wrestling. Weight training may be a required component of conditioning for any sport.
- o Participation form has been read, signed, and dated by student-athlete and parent/legal custodian (page B.)
- 2023-2024 NCHSAA Eligibility, Consent To Participate And Release Form has been read, signed, and dated by student-athlete and parent/legal custodian.
- o Gfeller-Waller NCHSAA Student-Athlete & Parent/Legal Custodian Concussion Information Sheet has been read and understood.
- o Gfeller-Waller NCHSAA Student-Athlete & Parent/Legal Custodian Concussion Form has been filled out, initialed, and signed.
- History Form is complete (pages 1&2 PPE)
- o Provides details for any "yes" answers in the History Form (page 2 PPE)
- o History Form has been signed and dated by the student-athlete and the parent/legal custodian (page 2 PPE).
- Physical Examination Form is complete, dated, & signed by a health care professional (MD, DO, NP, or PA) (page 3 PPE) Note: Doctor of Chiropractic Medicine is not satisfactory.
- Physical Examination Form (page 3 PPE) must include the medical office name, address, and phone number of the office where the physical exam
  was conducted.
- Medical Eligibility Form is completed, dated, & signed by a health care professional (MD, DO, NP, or PA) (page 4 PPE) Note: Doctor of Chiropractic Medicine is not satisfactory.
- Medical Eligibility Form (page 4 PPE) must include the medical office name, address, and phone number of the office where the physical exam
  was conducted.

Keep the instructions, eligibility rules, and concussion information sheet for your information, and make copies of the forms for your records.

Eli;	gibility Rules; Know the Eligibility Rules: To represent your school in athletics, YOU:  Must be a properly enrolled student at the time you participate and must be in regular attendance at that school.
	Must not be convicted of a felony in this or any other state, or adjudicated as a delinquent for an offense that would be a felony if committed by an
	adult in this or any other state.
	Must not have ten (10) or more total absences in the semester prior to athletic participation.
	Must not have exceeded eight (8) consecutive semesters of attendance or have participated in more than four (4) seasons in any sport (one season per
	year) since first entering grade nine (9).
	Must be under 19 years of age on or before August 31, 2023.
	Must live with a parent/legal custodian, be legally emancipated, or be covered by McKinney Vento and live within the Chatham County Schools
	administrative unit. (Must notify the athletic director if not living with a parent /legal custodian.)
	Must be counted present by PowerSchool on the day of an athletic game or practice in order to participate or the absence must be considered an excused absence per administration.
	Must meet promotion requirements at their school to be eligible.
	Must have passed a minimum of five (5) courses during the previous semester in a traditional schedule or three (3) in a block schedule or six (6) for
	schools on an A/B form of scheduling. Note: Seniors must meet this requirement in order to participate in athletics during the spring sports season of the
	senior year.
	<b>Must</b> have received a medical examination by a licensed physician within the past 395 days; if you miss five (5) or more days of practice due to illness of injury, you must receive a medical release from a licensed physician before practicing or playing.
	And your parent/legal custodian must read the Concussion Information Sheet and both the Student-Athlete and Parent/Legal Custodian must
	initial and sign the Student-Athlete Concussion Statement. This must be done on an annual basis (once every 365 days).
	Must not accept prizes, merchandise, money, or anything that can be exchanged for money as a result of athletic participation. This includes being on a free list or loan list for equipment, etc.
	Must not have signed a professional contract, have played on a junior college team or be enrolled and attending a class in college. This does not
	affect a regularly enrolled high school student who is taking a college course(s) for advanced credit.
	Must not participate in unsanctioned all-star or bowl games.
	May not participate (try-out, practice, play) at a second school in CCS in the same sport season without a bona fide move.
	May not usually, as an individual or a team, practice or play during the school day.
	May not play, practice, or assemble as a team with your coach on Sunday.

May not dress for a contest, sit on the bench, or practice if you are not eligible to participate.

Hazing: According to CCS Board Policy 4303-C-II21, hazing is prohibited. No group or individual shall require a student to wear abnormal dress, play abusive or ridiculous tricks on him/her, frighten, scold, beat, harass, or subject him/her to personal indignity.

The Board of Education is required to expel any student convicted of hazing under NC Criminal Statute §14-35.

Code of Sportsmanship: It is recognized that public school interscholastic athletic events should be conducted in such a manner that good sportsmanship prevails at all times. Every effort should be made to promote a climate of wholesome competition. Unsportsmanlike acts will not be tolerated. A player is under the coach's control from the time he/she arrives at the athletic field until he/she leaves the field. The penalties listed in the North Carolina High School Athletic Association Handbook will be adhered to for any athlete ejected from an athletic contest.

NCHSAA Regulations Student Athlete Pledge: As a student athlete, I am a role model. I understand the spirit of fair play while playing hard. I will refrain from engaging in all types of disrespectful behavior, including inappropriate language, taunting, trash talking, and unnecessary physical contact. I know the behavior expectations of my school, my conference, and the NCHSAA and hereby accept the responsibility and privilege of representing this school and community as a student athlete.

Parent Pledge: As a parent, I acknowledge that I am a role model. I will remember that school athletics is an extension of the classroom, offering learning experiences for the students. I must show respect for all players, coaches, spectators, and support groups. I will participate in cheers that support, encourage, and uplift the teams involved. I understand the spirit of fair play and the good sportsmanship expected by our school, our conference and the NCHSAA. I hereby accept my responsibility to be a model of good sportsmanship that comes with being the parent of a student athlete.

Football: Student athletes who are members of the school football team must read, review with parent/guardian, and sign an extra form entitled Safety List for Football Players. This form emphasizes specifics of tackling, blocking, running the ball, basic hitting (contact) position, fundamental technique, and fitting/use of equipment. This form will be available from your football coach and must be completed prior to practicing with pads.

NCHSAA Sportsmanship/Ejection Policy: We acknowledge that we, both the student and parent whose names appear below, have read and understand the NCHSAA Sportsmanship/Ejection Policy. We understand that the following types of behavior will result in an ejection from an athletic contest: fighting, taunting or baiting, profanity directed toward an official or an opponent, obscene gestures, disrespectfully addressing an official, flagrant contact.

1st ejection: 2 game suspension in all sports except 1 game for football (fighting is a four game suspension in all sports except 2 games for football).

2<sup>nd</sup> ejection: Suspended for remainder of sport season.

3<sup>rd</sup> ejection: Suspended from ALL athletic competition for 365 days from date of 3<sup>rd</sup> ejection.

Transportation for Athletic Events: All athletes must travel to and from athletic contests in transportation provided by the athletic department unless previous arrangements are made by the parents for exceptional situations or permitted by the coach. If permitted by the coach, written permission on approved CCS documentation must be given by the parent or guardian for the student/athlete to ride with an adult other than the parent/guardian.

Medical Authorization: As the parent or legal custodian of this student athlete, I grant permission for treatment deemed necessary for a condition arising during or affecting participation in sports, including medical or surgical treatment recommended by a medical doctor. I understand that every effort will be made to contact me prior to treatment. Also, permission is granted to release medical information to the school and athletic trainer or first responder.

Risk of Injury: We acknowledge and understand that there is a risk of injury involved in athletic participation. We understand that the student-athlete will be under the supervision and direction of a CCS athletic coach. We agree to follow the rules of the sport and the instructions of the coach in order to reduce the risk of injury to the student and other athletes. However, we acknowledge and understand that neither the coach nor CCS can eliminate the risk of injury in sports. Injuries may and do occur. Sports injuries can be severe and in some cases may result in permanent disability or even death. We freely, knowingly, and willfully accept and assume the risk of injury that might occur from participation in athletics.

Residency Requirements: The NCHSAA residency requirements state, "the residence of any student shall be deemed to be that of his or her parents or sole surviving parent. In the event the parents are separated or divorced, the residence of the student shall be that of the parent to whom custody has been awarded by a court of competent jurisdiction. No non-parental guardianship will be recognized where a student has a living parent. Any student proposed for a contest is eligible at the school to which the local board of education assigns him or her within the unit of residence of a parent or legal custodian within this state." A "legal custodian" is a person or agency awarded legal custody of a child by a court of law. The athletic director of the school must be notified of any student not living with a parent or legal custodian. No person other than a parent or legal custodian may sign off on this document.

We, the undersigned student and parent/legal custodian, certify that the home address shown on this document is our sole, bona fide domicile as provided to Chatham County Schools. We also agree that we will notify the high school principal immediately of any change in domicile, since such a move may alter eligibility status.

We have read the eligibility rules and this document and understand all of the requirements for athletic participation. We agree to comply with the requirements set forth in the eligibility rules and this document. All information contained in this document is accurate and correct.

Providing false information on this form may cause the student athlete to lose athletic eligibility.

### 2023-2024 NCHSAA ELIGIBILITY, CONSENT TO PARTICIPATE, AND RELEASE FORM

THIS DOCUMENT MUST BE SIGNED BY THE STUDENT-ATHLETE OF AN NCHSAA MEMBER SCHOOL AND BY THE STUDENT-ATHLETE'S PARENT OR LEGAL CUSTODIAN <u>BEFORE</u> PARTICIPATION. STUDENT-ATHLETES MAY NOT PARTICIPATE WITHOUT THE SIGNATURE OF THE STUDENT-ATHLETE AND PARENT(S)/LEGAL CUSTODIAN.

I (the student-athlete and parent(s)/legal custodian) acknowledge that I have read and understand the eligibility rules applicable to participation in sports through the North Carolina High School Athletic Association (NCHSAA). I understand that a copy of the NCHSAA Handbook is on file with the member school's principal and/or Athletic Director, and that I may review it, in its entirety if I so choose. I know my school is a member of the NCHSAA and must adhere to all regulations that govern interscholastic athletic programs, including, but not limited to, Federal and State laws, local regulations, and the rules and regulations of the NCHSAA. I agree to follow the rules of my school and the NCHSAA and to abide by their decisions. I acknowledge and understand that participation in interscholastic athletics is a privilege, not a right. I understand that classroom performance, dropping a class, or taking coursework through other educational options could affect eligibility and compliance with NCHSAA academic standards.

#### STUDENT CODE OF RESPONSIBILITY

As a student-athlete, I understand and accept the following responsibilities:

I will **respect the rights and beliefs** of others and will treat others with courtesy and consideration. I will be **fully responsible** for my own actions and the consequences of my actions. I will **respect the property** of others.

I will respect and obey the rules of my school and the laws of my community, state, and country.

I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state, and country.

I understand that a student whose character or conduct violates the school's Athletic Code or School Code of Responsibility could be deemed ineligible for a period of time as determined by the principal or school system Administration.

#### PARENTS, LEGAL CUSTODIANS, OR STUDENT-ATHLETES WHO DO NOT WISH TO ACCEPT THE RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM.

I (the student-athlete and parent(s)/legal custodian) recognize that participation in interscholastic athletics involves some inherent risks for potentially severe injuries including, but not limited to, serious neck, head and spinal injuries, serious injury to virtually all bones, joints, ligaments, muscles, tendons, and other aspects of the musculoskeletal system, serious injury or impairment to other aspects of the body, or effects to the general health and well-being of the child, and in rare cases, death. Although serious injuries are not common in supervised school athletic programs, it is impossible to eliminate all risk. The student-athlete and parent(s)/legal custodian have a responsibility to help reduce that risk. I understand that student-athletes must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily.

I (the student-athlete and parent(s)/legal custodian) authorize medical treatment should the need arise for such treatment while the student-athlete is under the supervision of the member school. I consent to medical treatment for the student-athlete following an injury or illness suffered during practice and/or a contest. I understand that in the case of injury or illness requiring treatment by medical personnel and transportation to a health care facility, a reasonable attempt will be made to contact the parent/legal custodian if the student-athlete is a minor, but that, if necessary, the student-athlete will be treated and transported via ambulance to the nearest hospital. I further authorize the use or disclosure of the student-athlete's personally identifiable health information should treatment for illness or injury become necessary.

I (the student-athlete and parent(s)/legal custodian) understand all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Further, I understand that if the student-athlete is removed from a practice or competition due to a suspected concussion, he or she will be unable to return to participation unless and until clearance is given in compliance with applicable laws. I also acknowledge that I have received, read, and signed the Gfeller- Waller Concussion Information Sheet, as well as viewed the CrashCourse concussion education video.

I (the student-athlete and parent(s)/legal custodian) consent to the NCHSAA's use of the student-athlete's name, image, likeness, and athletic-related information in reports of contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics, and grant the NCHSAA the right to photograph and/or videotape the participant and further to use the student-athlete's face, likeness, voice, and appearance in connection with exhibitions, publicity, advertising, promotional, and commercial materials without reservation or limitation. The NCHSAA, however, is under no obligation to exercise said rights herein. I further consent to the disclosure, by the member school to the NCHSAA upon the NCHSAA's request, of all records relevant to the student-athlete's eligibility including, but not limited to, their records relating to enrollment, attendance, academic standing, age, discipline, finances, residence, and physical fitness. The student-athlete and parent/legal custodian, individually and on behalf of the student-athlete, hereby irrevocably, and unconditionally release, acquit, and discharge, without limitation, the NCHSAA, its officers, agents, attorneys, representatives, and employees (collectively, the "Releasees") from any and all losses, claims, demands, actions and causes of action, obligations, damages, and costs or expenses of any nature (including attorney's fees) that the student and/or legal custodian incur or sustain to person, property, or both, which arise out of, result from, occur during, or are otherwise connected with the student-athlete's participation in interscholastic athletics if due to the ordinary negligence of the Releasees.

By signing this document, we acknowledge that we have read the above information and that we consent to participation by the herein named student-athlete. We understand that the authorizations and rights granted herein are voluntary and that we may revoke any or all of them at any time by submitting said revocation in writing to the student-athlete's member school. We understand that if we submit a revocation, the student-athlete will no longer be eligible for participation in interscholastic athletics; provided, however, that revoking authorization to use the student-athlete's name, image, likeness, and athletic-related information will not affect eligibility.

# Gfeller-Waller NCHSAA Student-Athlete & Parent/Legal Custodian Concussion Information Sheet

What is a concussion? A concussion is an injury to the brain caused by a direct or indirect blow to the head. It results in your brain not working as it should. It may or may not cause you to black out or pass out. It can happen to you from a fall, a hit to the head, or a hit to the body that causes your head and your brain to move quickly back and forth.

**How do I know if I have a concussion?** There are many signs and symptoms that you may have following a concussion. A concussion can affect your thinking, the way your body feels, your mood, or your sleep. Here is what to look for:

Thinking/Remembering	Physical	Emotional/Mood	Sleep
Difficulty thinking clearly	Headache	Irritability-things bother you	Sleeping more than usual
Taking longer to figure things out  Difficulty concentrating	Fuzzy or blurry vision  Feeling sick to your stomach/queasy	more easily Sadness	Sleeping less than usual  Trouble falling asleep
Difficulty remembering new information	Vomiting/throwing up Dizziness Balance problems Sensitivity to noise or light	Being more moody  Feeling nervous or worried  Crying more	Feeling tired

Table is adapted from the Centers for Disease Control and Prevention (http://www.cdc.gov/concussion/)

What should I do if I think I have a concussion? If you are having any of the signs or symptoms listed above, you should tell your parents, coach, athletic trainer or school nurse so they can get you the help you need. If a parent notices these symptoms, they should inform the school nurse or athletic trainer.

When should I be particularly concerned? If you have a headache that gets worse over time, you are unable to control your body, you throw up repeatedly or feel more and more sick to your stomach, or your words are coming out funny/slurred, you should let an adult like your parent or coach or teacher know right away, so they can get you the help you need before things get any worse.

What are some of the problems that may affect me after a concussion? You may have trouble in some of your classes at school or even with activities at home. If you continue to play or return to play too early with a concussion, you may have long term trouble remembering things or paying attention, headaches may last a long time, or personality changes can occur Once you have a concussion, you are more likely to have another concussion.

How do I know when it's ok to return to physical activity and my sport after a concussion? After telling your coach, your parents, and any medical personnel around that you think you have a concussion, you will probably be seen by a doctor trained in helping people with concussions. Your school and your parents can help you decide who is best to treat you and help to make the decision on when you should return to activity/play or practice. Your school will have a policy in place for how to treat concussions. You should not return to play or practice on the same day as your suspected concussion.

You should not have any symptoms at rest or during/after activity when you return to play, as this is a sign your brain has not recovered from the injury.

# Gfeller-Waller NCHSAA Student-Athlete & Parent/Legal Custodian Concussion Statement Form

Instructions: The student athlete and his/her parent or legal custodian, must initial beside each statement acknowledging that they have read and understand the corresponding statement. The student-athlete should initial in the left column and the parent or legal custodian should initial in the right column. Some statements are applicable only to the student-athlete and should only be initialed by the student-athlete. This form must be completed for each student-athlete, even if there are multiple student-athletes in the household.

Student-	Athlete Name: (please print)	
Parent/Le	egal Custodian Name(s): (please print)	
Student- Athlete Initials		Parent/Legal Custodian(s) Initials
	A concussion is a brain injury, which should be reported to my parent(s) or legal custodian(s), my or my child's coach(es), or a medical professional if one is available.	
	A concussion cannot be "seen." Some signs and symptoms might be present immediately; however, other symptoms can appear hours or days after an injury.	
	I will tell my parents, my coach and/or a medical professional about my injuries and illnesses.	Not Applicable
	If I think a teammate has a concussion, I should tell my coach(es), parent(s)/ legal custodian(s) or medical professional about the concussion.	Not Applicable
	I, or my child, will not return to play in a game or practice if a hit to my, or my child's, head or body causes any concussion-related symptoms.	
	I, or my child, will need written permission from a medical professional trained in concussion management to return to play or practice after a concussion.	
	Based on the latest data, most concussions take days or weeks to get better. A concussion may not go away, right away. I realize that resolution from a concussion is a process that may require more than one medical visit.	
	I realize that ER/Urgent Care physicians will not provide clearance to return to play or practice, if seen immediately or shortly after the injury.	
	After a concussion, the brain needs time to heal. I understand that I or my child is much more likely to have another concussion or more serious brain injury if return to play or practice occurs before concussion symptoms go away.	
	Sometimes, repeat concu <mark>ssions</mark> can cause serious and long-lasting problems.	
	I have read the concussion symptoms listed on the Student-Athlete/ Parent Legal Custodian Concussion Information Sheet.	
	I have asked an adult and/or medical professional to explain any information contained in the Student-Athlete & Parent Concussion Statement Form or Information Sheet that I do not understand.	
	ng below, we agree that we have read and understand the information contained Representation Parent/Legal Custodian Concussion Statement Form, and have initialed approximent.

## Instructions for completing the NCHSAA Student-Athlete Pre-Participation Physical Evaluation (PPE)

In order to be medically eligible for participation in practice or in interscholastic athletic contests, a student must complete a pre-participation physical evaluation (PPE) and provide medical eligibility documentation to the school.

There are three sections that need to be completed:

- 1. History Form (Pages 1-2)
  - a. This form is completed by the student-athlete and his / her parent or guardian.
  - b. Both the athlete and a parent or guardian shall sign this form.
- 2. Physical Examination Form (Page 3)
  - a. This section is completed by and signed by a licensed medical professional (MD, DO, NP, or PA-C).
  - b. The physical exam should include a thorough review of the history form. The licensed medical professional should ask any clarifying questions or discuss any areas left blank on the medical history during the physical exam.
  - c. This form should be signed on the date that the physical examination was completed.
- 3. Medical Eligibility (Page 4)
  - a. This section is completed by and signed by the licensed medical professional who reviewed the history form and completed the physical exam.
  - b. The licensed medical provider should complete the Shared Emergency Information based on findings from the history form and the physical examination.
  - c. This form should also be signed on the date that the physical examination was completed.
