

# WE'LL GET YOU BACK IN THE GAME

## FRIDAY NIGHT LIGHTS SPORTS MEDICINE CARE

We're open late every Friday this Fall.

Starting in September, walk-in appointments will be available Friday nights from 7 to 11 p.m. for student-athletes of all ages.

Athletes will be cared for by licensed, orthopaedic sports medicine specialists who will provide expert examination, on-site imaging, casting, splinting, bracing and more.

Trust our experts to treat your injuries. See a UT Health San Antonio sports medicine provider without waiting - so you can start healing sooner.
