ALA QC Athletics Sponsorships 2018-2019

American Leadership Academy QC Athletics Boosters is a non-profit organization that provides support for the athletic programs of American Leadership Academy Queen Creek Jr. High and High School. Our success is credited largely to the support of our local businesses. With the help of our sponsors, we are able to provide uniforms, equipment, travel expenses, team dinners and awards banquets that fall outside of our athletics budget. There are several ways your organization and business can participate and become a sponsor for the 2017-2018 school year.
