

Dear Parent/Guardian,

The Athletic Department at **Allen Park High School** now hosts their Pre-Participation Athletic Forms online with PlanetHS. This digital platform will allow you and your student(s) to complete and access all required athletic forms via computer, tablet or mobile phone. It is HIPAA, COPPA and FERPA compliant. A link to the privacy policy is located at the bottom of the sign-in page at [www.planeths.com](http://www.planeths.com).

**Parent and student must create separate accounts, using different emails and/or mobile numbers.**

*Important: Students must be sure to create accounts using accurate information, including their official name from school registration, date of birth, high school graduation year & school attending.*

*You can click SELF HELP on the right of the screen for walk-throughs of the account creation, account linking and athletic forms functionality.*

**STEP 1** Go to [www.planeths.com](http://www.planeths.com) and click Sign Up to Create New Account.

**-OR-** with a smartphone, follow the Quick Account instructions on the second page.

*Note: if students are under 13 and they create an account, they must know their parent/guardian's email address or mobile number. (COPPA COMPLIANCE)*

- Choose the type of account you wish to create.
- Complete the requested information.
- Be sure when choosing your school that you choose the school the student is currently attending.

**STEP 2** Link the parent account to the student(s) account.

You will be led through this process after creating an account. If you do not link the accounts at the time of account creation, you can always click the LINK ACCOUNT button at any time to complete or initiate the linking process. Parents can link to as many student accounts as they wish by repeating the linking invitation process.

**STEP 3** Complete required athletic forms as advised.

Students with accounts may begin completing digital forms immediately. Parents must be linked to a student account to see the electronic version of the forms. If they are not linked, they will only see example PDF versions of the forms. You can complete forms or see their status at any time by clicking on the ATHLETIC FORMS button.

For additional help please refer to the one-page help-guide below, access the complete online forms tips located in the light green bar at the top of the Athletic Forms page in your account or use the light blue self-help button located on the right side of the screen.

Athletes cannot participate in sports until digital forms are complete and approved unless otherwise specified by your school. Forms will be valid for the entire school year for which they are filled out, with the exception of the physical exam provided by your physician which will reflect the policy set in place by your athletic department. *Completing and having your pre-participation registration forms accepted by your school does NOT guarantee you have made the team.*
