

Alton High School Concussion Oversight Team

Alton High School has appointed a concussion oversight team. This team will use the AHS Concussion Management Plan and the Academic Concussion Plan to oversee and ensure our students are being diagnosed and treated properly after sustaining a concussion. The team will consist of the following individuals:

Janiece Stewart, MD Sports Medicine Physician (Alton Orthopedic Clinic/BJC Sports Med)

Andy Renner, LAT, ATC Head Athletic Trainer

Kathy Reimer, CSN Certified School Nurse

Jeff Alderman Athletic Director

Melissa Edwards Assistant Principal

The team will work to ensure that proper steps are followed through both return to play and return to learn protocols.
