ALTON ATHLETIC ASSOCIATION
REQUEST FOR FUNDS

Note: Attach bids, estimates or catalog sources. If request requires a specific source, attach an explanation with your request. One request per form. All funding requests must be turned in to the Athletic Office on the Thursday prior to the next AAA meeting. AAA meets the second Wednesday of each month

Date of Request: April 27, 2023

Coach: Andy Renner Phone: 618-474-2700

Sport: Athletic Training and will benefit multiple outdoor sports

Amount of Funds Requested: \$1282.25 Date Funds Needed By: July 1, 2023

Describe below the reason for the request and how the funds will be used:

Misting Fans for AHS Outdoor Athletics ... Tennis (B & G), Baseball, Softball, Track (B & G), Soccer (B & G), Football, & Cross Country (B & G).

These misting fans could be used by any outdoor sport. From talking to other schools that have these fans they work well. One bucket of water along with the large battery will last through an entire contest on the medium setting which puts out a good mist. I would maintain them and allow sports to check them out as needed with the expectation of them being returned to the AT room for cleaning and storage. I would suggest we find some wheeled totes to store them in and they could be checked out in either a single or set of two. I would recommend we go with the Kobalt as they are considerably cheaper than the Ego brand and from reports I've heard work better than the Ryobi that Home Depot carries. We would need to make a purchase sooner than later as these items typically are somewhat seasonal and get harder to find as the summer goes on. Please let me know if you have any questions. Most of the prices are estimates.

Have you done any fundraising for this request? Explain, if needed.
