

COVID-19 Disclosure and Release
PVUSD Athletic and Activity Participation Form

Student Name:_____ **Grade:**____ **ID:** _____ **Sport/Cohort:**_____

Summary: COVID-19 continues to pose a severe risk to communities and requires all people in California to follow recommended precautions and adapt the way they live and function in light of this ongoing risk. This guidance provides direction on outdoor and indoor youth and recreational adult sports activities to support a safe environment for these sports. The guidance applies to all organized youth sports — including school- and community-sponsored programs, and privately-organized clubs and leagues.

Face Coverings

- Participants in youth and adults sports should wear face coverings when participating in the activity, even with heavy exertion as tolerated, both indoors and outdoors (unless the face covering could become a hazard), and face coverings must be worn when not participating in the activity (e.g., on the sidelines).
- Observers must wear face coverings indoors, and comply with the CDPH [Guidance for the Use of Face Coverings](#), which broadly requires the use of face coverings for both members of the public and workers in all public and workplace settings.

Returning to sports after infection

- Children and teens with symptoms of COVID-19 should not attend practices or competition. They should consult their physician for testing and notify their coach, athletic trainer and/or school administrator of their symptoms.
- Youths recovering from COVID-19 will have different paths to return to sports based on the severity of their illness. Those who are asymptomatic or have mild symptoms should not exercise until cleared by a physician. See the [American Academy of Pediatrics Interim Guidance on Return to Sports](#) for additional guidance for more serious infections.

Hygiene and Equipment Sanitation

- When equipment is shared during an activity, participants should perform hand hygiene (wash hands with soap and water or use an alcohol-based hand sanitizer) before play, during breaks, at half time, and after the conclusion of the activity.
 - Balls or other objects or equipment can be touched by multiple players and used during practice and play if the above hand hygiene practices are followed.
- Drink bottles must not be shared, and other personal items and equipment should not be shared.

Cohorting

- Athletes and coaches should cohort by team, and refrain from participating with more than one team over the same season or time period (notwithstanding competitions permitted as outlined below).
