

## 2018/2019 Parent Agreement

**As a parent of the Aptos High School Girls Soccer Program, I pledge the following:**

1. I will support the Aptos High School Girls Soccer Program, the players, and the coaching staff efforts at all times.
2. I will not confront the coaches about coaching decisions and playing time. This is the coach's responsibility to make these decisions.
3. I want to promote independent, self-reliant, and self-confident young adults and will therefore, allow my daughter (the player) to communicate with the Head Coach about any issues or concerns.
4. If I have a concern or issue outside of playing time and coaching decisions, I will first allow my daughter to communicate with the coach. If the issue or concern is not resolved, then I will write the Head Coach an email stating the issue and the coaching staff will set up a time to meet with the player and parent. If the situation is not resolved, I will write the Head Coach another email and the coaching staff will setup a meeting with the player, parent, and Athletic Director.
