## 2017 PANDA's Soccer Block Pool

A Fun and Easy way too become a winner while helping to support our team with their expenses for the season.

- 16 chances to win during the Philadelphia EAGLES 2017 regular season.

- A weekly prize of \$250.00

Here is how it works :

\$5.00 per block X 100 blocks = \$500.00 Weekly (\$250.00 to the winner and \$250.00 to the Pandas)

Must purchase entire season at \$5.00 per week X 16 weeks = \$80.00

Each week you the numbers will randomly be selected to increase your chances of WINNING !

Each week your block position will be randomly selected!

The last number in each teams score will determine the winning numbers. Example Eagles 24 Redskins 17

If you have an 4 in the Eagles column and a 7 in the Redskins column on the weekly grid at the end of the game you are a WINNER ! \$250.00 big ones !

And don't forget the girls win every week.

We ask that every player sell 3 blocks for the season. (\$80.00 x 3 = \$240.00)

Like we said a fun and easy way to support the team and hopefully help yourself out !

All Money due by August 31st.

Each participant will receive two emails a week. The first will be before the game with numbers and positions. The second will be with Final Score and Winner at the bottom and the same numbers and positions as prior email. Each will be in PDF form. In addition to the emails. I will post a Picture of the pool on MBAP Pandas Soccer Facebook page.
