

CPR and AED Training for Coaches **Free ELearning Course**

In order to assist with the new requirement to have all sports personnel trained in AED/CPR for all assignments beginning July 1, 2021, the WVDE would like to provide the following information:

Registration instructions follow:

Go to <https://wveis.k12.wv.us/registration/> to complete the CPR and AED Training for Coaches registration. If you do not already have a WebTop account, you must first register for an account.

Review all information before attempting to register for a course:

- Select the "Register" button from the top of the screen.
- Select your role, Coach, from the dropdown menu.
- Select the training module associated with your role.
- Submit your registration.

Registration Verification:

Verify that you have been enrolled in a WVLeads course by going to <http://wvlearns.k12.wv.us> Log into the site.

Your CPR and AED Training for Coaches module will appear on your home screen as a photo clip with the course title at the bottom of the photo. Click on the photo and begin the CPR and AED Training for Coaches.

Contact Donna Landin (dlandin@k12.wv.us) for additional information.

Once you complete the course, your CPR/AED completion certificate will be emailed to you within 24 hours.

Please forward to Carolyn Lewis.
