

# Buchanan Junior Varsity Softball Team Rules

## **Code of Conduct:**

Students are required to adhere to the Buchanan High School code of conduct. Students have signed the code of conduct on their physical form. Academic eligibility is also covered under the code of conduct form. (see form)

Game Eligible: student must be in school the last ½ the day.

Practice Eligible: student must be in school the last ½ the day.

(If you are not in school, you cannot participate)

## **Practice Absences:**

Three unexcused absences (not arranged with me prior to) will result in dismissal from the team. Any unexcused absence will result in loss of playing time or other consequence per Mr. Hoover and myself.

**Absence Notification:** If a player is going to miss and game and/or practice, this must be communicated to me prior to the event date. Players may call me 269-362-4915 or speak with me directly at school or before/after practice.

## **Expectations:**

I expect all players to be on time for practice and give 100% while they are there. This does not guarantee playing time. I determine playing time and player positions that will benefit the program and the team. If there comes a time you would like to discuss your players playing time, please set up a time. Nothing good will come of a conversation after a practice or contest. If players are late to practice, they will run 10 sprints or 5 hills. This is not a team punishment; the player that is late is the player that will run.

## **Transportation.**

Bus/Van times will be announced at least 1 day prior to game day. The bus or vans will not wait for players. If players do not make the bus/van, they cannot bring themselves to the game site. Players will not start if they are late for game departure. Most away games will be drop off, so you will need to arrange return transportation for your player. I will have 1 van available to bring a few players home if necessary.

**Notifications:** All practice and schedule changes will be notified via an announcement at school, an email/text to all contacts that have joined SOFTBALL 2017 by texting 81010 @bhssball15 [or via email if you prefer]

---

I have reviewed the JV Softball 2017 team rules and understand all expectations outlined in the document.
