SCHOOL CONCUSSION REPORTING

Schools must report concussion events online while logged into MHSAA.com. Report any concussion event in all levels of all MHSAA sports where a student is withheld from activity. This is a separate process from the Return to Activity and Post-Concussion Consent Form on the reverse side.

MHSAA CONCUSSION CARE INSURANCE

The Michigan High School Athletic Association is providing athletic participants at each MHSAA member junior high/middle school and high school with additional insurance that is intended to pay accident medical expense benefits resulting from a suspected concussion. The injury must be sustained while the athlete is participating in-season at an MHSAA covered activity. Policy limit is \$25,000 for each accident. Covered students, sports and situations follow the catastrophic accident medical insurance.

This new program intends to assure that all eligible student-athletes in MHSAA member schools in grades 6 through 12, male and female, in all levels of all sports under the jurisdiction of the MHSAA, receive prompt and professional attention for head injury events even if the child is uninsured or under-insured. Accident medical deductibles and co-pays left unpaid by other policies are reimbursed under this program to the limits of the policy.

The Concussion Care Insurance corresponds with the MHSAA Catastrophic Accident Medical Insurance Policy which pays up to \$500,000 for medical expenses left unpaid by other insurance after a deductible of \$25,000 per claim in paid medical expenses has been met. All students enrolled in grades 6 through 12 at MHSAA member schools who are eligible under MHSAA rules and participating in practices or competition in sports under the MHSAA's jurisdiction are covered by this policy for injuries related to their athletic participation.
