# WINTER SPORTS 2021 WELCOME

Welcome to Grandville Calvin Christian Schools! At GCCS, we value athletics as a way to come together as a community, to develop students' God-given gifts and talents, and to emphasize the values of teamwork and collaboration to achieve a goal. We emphasize "Loving, Learning, and Serving" at GCCS and believe that athletics also allows us to love our teammates and opponents, to learn valuable lessons about life and sport, and to serve one another and our community. Athletics present not only opportunities to compete and learn right now, but they develop relationships that can flourish now and may often last for a lifetime. Enjoy your time with us this season cheering on our children and supporting Christ-centered community!

Eric Burgess  
Calvin Christian Head of Schools

I'm thrilled that our student-athletes are finally able to resume their athletic competitions. When our student-athletes wear Calvin across their chests and walk into a gym or on a field, it is a special moment where they will compete with Calvin pride and respect for others. Our athletes and spectators will never just be representing their team; they are representing our Lord and Savior, their school, their family, their community and the alumni who have walked before them. I'm looking forward to joining with our athletes, parents, and fans in celebrating our students' God given gifts and the valuable lessons learned through athletics, both in victory and defeat. While we love our Calvin athletes and the joy of competition, our most important goals will be building young men and women of great character, who truly love the Lord, and are equipped for success in the future.

Todd Henderson  
Calvin Christian High School Principal

Welcome to Calvin Christian High School and our winter athletic season. We want to give a special welcome to our guests joining us tonight. The Calvin Christian family is glad you are here. The athletes and coaches have worked hard to prepare for the games that they will play this fall. We hope you can see Christ at work in the hearts of the athletes and coaches as they play the games that they love. The spiritual theme for our school year is "Wonder" Parents, grandparents, friends, and athletes, each one of us is responsible for building up the whole body of Christ and showing love and wonder for the great gift of healthy competition and the wonder we have for the gifts God has given us. Make sure that you do your part to build up all of the participants in the contests that you watch. Officials, guests, opposing teams, Squire teams- all of those who take part are valuable parts of God's wonderful kingdom. We hope that you will show all of the participants of today's contest your respect. Show your support for their efforts by cheering good plays and encouraging them when their efforts fall short. Have a great night and enjoy the game!

Tom Bouma  
Calvin Christian High School Athletic Director
