# Welcome to Calvin Christian High School!

Welcome to Grandville Calvin Christian School! At GCCS, we value athletics as a way to come together as a community, to develop students' God-given gifts and talents, and emphasize the values of teamwork and collaboration to achieve a goal. Our mission to equip students to serve and glorify God is carried out through athletics that allow us to love our teammates and opponents, learn valuable lessons about life and sport, and serve one another and our community. Athletics present not only opportunities to compete and learn right now, but they develop relationships that can flourish now and may often last for a lifetime. Enjoy your time with us this season cheering on our children and supporting Christ-centered community!

Eric Burgess  
GCCS Head of School

Welcome to Calvin Christian High School! Whether you are a guest or part of our CCHS family, we look forward to a great time of athletic competition, fellowship, sportsmanship, and the opportunity to encourage and celebrate all of the young men and women competing. When our student-athletes wear Calvin across their chests and walk into a gym, field, or any athletic venue, it is a special moment where they will compete with Calvin Christian pride and respect for others. Our athletes and spectators will never just be representing their team; they are representing our Lord and Savior, their school, their family, their community, and the alumni who have walked before them. I'm excited to join our athletes, parents, and fans in celebrating our students' God-given gifts and the valuable lessons learned through athletics, both in victory and defeat. While we love our Calvin Christian athletes and the joy of competition, our most important goals will be building young men and women of great character, who truly love the Lord, and are equipped for success in the future.

Todd Henderson  
Calvin Christian High School Principal

The Calvin Christian High School community is incredibly glad you are joining us today! Each athletic event gives us a chance to reflect on God's grace through his handiwork of athletics and recreation. What a great God we have! We want to give a special welcome to our guests joining us tonight. The athletes and coaches have worked hard to prepare for the games that they will play this fall. We hope you can see Christ at work in the hearts of the athletes and coaches as they play the games that they love. The spiritual theme for our school year is "Rooted and Growing." Parents, grandparents, friends, and athletes, each one of us is responsible for building up the whole body of Christ. We all need to help grow our spiritual gifts by showing love, even in the difficult situations that athletics can provide. These are the best moments to show that we are rooted in our faith. Make sure that you do your part to build up all of the participants in the contests that you watch: officials, guests, opposing teams, Squire teams- all of those who take part are valuable parts of God's kingdom. We hope that you will show all of the participants of today's contest your respect. Show your support for their efforts by cheering good plays and encouraging them when their efforts fall short. Have a great night and enjoy the game!

Tom Bouma  
Calvin Christian High School Athletic Director

**Can we improve health tomorrow  
by playing high school sports today?**

**We can.**<sup>TM</sup>

Not only does participation in sports improve cardiovascular and muscle fitness levels,  
but research shows that it can also reduce the risk of developing some types of  
chronic health conditions later in life and a greater tendency to be more active as an adult.
