Athletic Department Update: Basketball ended their season 17-5 and were runners up, Spirit came in third in division III. Spring sports started March 19th, first competition will start week of April 9th. There will be an outdoor track meet May 1st and May 16th looking to have concessions available for these events. Stephen was approached by Will Bower, a senior on the swim team, he has been raising money and would like to meet with the booster club to talk about help that is needed. Stephen will invite him to our May 7th meeting.

Sign Fundraiser: Event will be held on Friday night April 6th 7:00pm at Talent hall. Looks like 60 – 70 tickets have been sold. We will sell tickets at the door the night of the event. Set up will be Friday night at 5:30 and cleanup following the event (10:00)

Sweatshirts: Colleen asked if we could get students fitted before we purchase the shirts and can we get them embroidered with names on the sleeves. A motion was made by Colleen to purchase 4 shirts to use for fitting students, one of each size (Small, medium, large and X-large) Jim seconded the motion, and it passed 14-0. Robbin to purchase four shirts with no logos and will let us know the cost to have future shirts embroider. Jarod will follow up with the coaches to let them know they will have to provide the sizes for the spring awards night. We will wait for the fall sports awards to have shirts embroidered.

Scholarships: All paperwork has been submitted, students have until May 5th at 3:00 PM to apply. Then Booster Club will take the applications to Alvirne. Cara to get the Alvirne contact info to Colleen.

Nominations for next year's board. Colleen and Stephen nominated for Co-Presidents, Jim nominated for secretary, Angela nominated for treasurer. A new social media board position will be added for next year. Stephen to update the by-laws to reflect the new position.

New Business: Cara motion for the booster club to spend up to \$200.00 to have new brick fundraising forms printed by the York's. The forms will be distributed to all three schools (GMS, LMS, CHS) for the students to take home. We need to have one last push to sell as many bricks for the press box as possible. Colleen seconded it and was voted 14-0.

Colleen talked about having a scratch ticket raffle. \$500.00 worth of \$10.00 scratch tickets to be raffled off, we would sell tickets for \$10.00 each or 3 for \$20.00. Bill explained the success he had with this fundraiser in wrestling and we could duplicate their success. More discussion will take place at our May 7th meeting.
