- **Track Board**
 - Question came up why the boosters club is responsible for paying the invoice for the updated plaques. The old board had voted to approve the last time it was needed, moving forward it must be voted on every time, but Jarod believes he can have it added to his budget so it should not impact the boosters club.
- **Winter Concessions**
 - We will only hold concessions for Friday night Varsity Basketball games for both Girls and Boys. The following dates will have concessions

 - Colleen to make sign up genius for these games.
- Jim asked if boosters could purchase a small refrigerator for the winter concessions. Jarod is going to make sure it can be stored either in the school store or the booster closet. Colleen made a motion to spend up to \$200.00 on the refrigerator, Cara 2nd, the motion passed with a vote of 11 -0. Once Jared gets the OK booster club will purchase, Jim to research and get back to the board with the model to purchase.
- **Debit Card**
 - Colleen asked if we can get a debit card for the booster club. This would eliminate out of pocket expenses from any person making purchases for the booster club. Angela and Colleen will go to the bank and fill out the necessary paperwork for the debit card.
- **Paint Night**
 - 44 tickets sold, only three days left we hope to sell 50 tickets. Colleen has able to get a police detail for no charge for that night. Set up will be 6:00 with doors opening around 6:45, breakdown and cleanup at 10:00
