

Capital Cheerleading Fundraising Policy

Capital High Cheerleading is supported primarily by fundraising efforts. **It is expected that members and parents of this team participate in these fundraisers.** Any funds raised in excess of the needs of the individual will be applied to the squad- no refunds will be given. Sophomore and Junior returners may use excess funds to cover next year's fees, if they make the team again.

- **Individual Cheer Account:** Funds raised will be applied to the individual cheerleader's financial obligations as detailed in the fees section. It is important that you take advantage and participate in these fundraisers as to help keep out of pocket costs to a minimum. Participation in individual fundraisers are optional unless you are past due from a prior payment. *families can choose to pay for the cost of their cheerleader in full*
- **General Team Account:** funds raised during squad fundraisers will be applied towards coaching staff, award banquet supplies, uniforms, equipment, etc. All money is used to support the current and future program.
 - ❑ **Each cheerleader and family is expected to participate in a minimum of 3 team fundraisers.** You may participate in more than 3.
 - ❑ If the cheerleader/family does not participate in three fundraisers, a fee of \$100 will be added to the individual cheerleader's account.
 - ❑ A cheerleader/family may choose to pay the \$100.00 in lieu of working at squad fundraiser. The following are team fundraising opportunities.

Fundraisers are broken into three categories: There may be more that come about during season and will be identified clearly as they come about. We are always looking for more opportunities to add fundraisers.

- **Individual fundraisers:**
 - ❑ Donations
 - ❑ Concession Stands
- **Squad fundraisers:**
 - ❑ Selling Calendars
 - ❑ Car washes
- **Fundraisers split between individual/squad accounts:**
 - ❑ Kids Clinic
 - ❑ Working at a restaurant (Big Juds, Applebees, etc)

We know and understand that families are busy and time is precious. Capital High Cheer is a big commitment from both the Cheerleader and their family. We have a lot of fun and consider CHS Cheer to be a family. Please take this commitment into consideration BEFORE you tryout. :)
