

**IHSAA ACADEMIC ELIGIBILITY BY-LAWS**

**18-1**

To be eligible scholastically, students must have received passing grades and earned credit at the end of their last grading period in school in at least seventy percent (70%) of the maximum number of full credit subjects (or the equivalent) that a student can take and must be currently enrolled in at least seventy percent (70%) of the maximum number of full credit subjects (or the equivalent) that a student can take.

Semester grades take precedence.

Two semesters of the state required physical education course may be counted as a full credit subject for eligibility purposes even though a full credit is not granted by the Department of Education. When the block four scheduling program is used, students must be currently enrolled in and passing three courses. Class periods must meet Indiana Department of Education standards for awarding credit and minutes in class.

NOTE: A full credit subject requires a minimum total of 250 minutes of instruction per week for one semester.
