### Approval of Minutes

Minutes were provided for the November meeting and approved.

### Board Reports

#### 1) President – John Purvis

There are still payments outstanding for banner sales – continue to follow up.

#### 2) Secretary – Tammy Butler

Absent.

#### 3) Treasurer – Leigh Burden

Leigh provided the Treasurer's report. Jimmy Sanabria provided explanation of the "sinking fund" which all schools pay if they have a turf field - \$15,000 annually to a non-interest bearing fund to be used to replace turf. 2015 Tax Return presented and approved.

#### 4) Membership – Maria Stewart

Maria reported that (1) additional single membership was sold. We will have a "Spring Super Sale" again this year and sell single memberships for \$50.00 for the final sports season of the school year.

#### 5) Spiritwear – Monique King and Teri Assel

\$655 was earned during the special lunchtime sale at CVHS. We want to clear inventory using the DECA machine. Spirit Wear team will also determine if it would be a viable opportunity to sell at Liberty Middle School. Both Spirit Wear representatives will "graduate" after the 2017-2018 school year so we need to identify new Spirit Wear representatives to shadow the current team for the 2017-2018 school year.

#### 6) Concessions - Richard Simmons

Stadium inventory has been moved to gym concessions. (1) broken cooker has been replaced by Pepsi. (2) youth wrestling events will take place at CVHS this season (12/17/16 and 2/3/17). Wrestling Duals will host (6) schools at CVHS gym on 1/28/17. A new grill will be purchased to use for Spring Sports season.

**7) CVHS Athletic Director – Jimmy Sanabria**

Looking for ideas regarding new fundraiser to raise \$8,000 - \$10,000. Might consider another Casino Night with larger venue (Twin Lakes, Wesfield Golf Course). Could potentially use beverage trailer for fundraiser.

**8) Team Representative Reports**

No team reports this meeting.

**NEW BUSINESS**

No new business.

**Meeting Adjourned at 8:30 pm.**
