Clifton, VA 20124

Hello!

We are the Centreville High School Cross Country Team and we are holding a Runathon on August 20, 2021 to raise money for our program. Our goal is for everyone on the team to each run 10 miles for a total of 700 miles run on that evening! We would be honored if you could help us reach our goal. We hope you can donate money to our team or donate food and/or prizes (gift cards, coupons, etc.) to be raffled away throughout the night. We will have banners listing businesses that donated to the Runathon. We will be using the money we raise to enhance the profile of our program by attending meets along the east coast, purchasing any equipment, and funding team dinners and our end-of-season banquet.

Thank you for your time and consideration,

The Centreville High School Cross Country Team
