Board Reports

President – John Purvis

John presented the contract information for the Casino Night fundraiser being held at Paradise Springs Winery on October 13, 2018. There is no rental cost for the venue, a \$250.00 fee for cleaning which will be deducted from the evening's proceeds and \$500.00 of wine must be sold during the course of the evening. The goal is to sell 200 tickets which would raise \$7500 for the evening to go toward CVHS athletics. Wine and beer will be sold at the event and all attendees must be over 21. John made a motion to approve the contract for Casino Night and the motion was approved.

Marie Cardenas will manage the liquor license for the event and the board will confirm general liability coverage for the event and if covered under the entity's existing coverage. If not, coverage for the event will be obtained.

The group discussed the ticket price and fee for the Casino Night event which was finalized and approved by the Board.

The grill purchased by the Boosters in the prior school year is now broken and thought to be unusable this school year. Concessions will use the existing large charcoal grill for the scrimmages and determine if another gas grill should be purchased for Football season. All locks would be changed to the concession freezers as food items were stolen over the summer. Jimmy Sanabria will have the stands cleaned before the first scrimmage and order new banners.

The board discussed the sports programs for the upcoming school year. It was agreed that (1) program would be printed at the beginning of the Fall and Spring season with applicable team photos/rosters and will be updated a few weeks into the Fall season should additional sponsors be added. Rosters for opposing teams will be inserted each game/event.
