

FAIRFAX COUNTY
PUBLIC SCHOOLS

Chantilly High School
4201 Stringfellow Road
Chantilly, Virginia 20151-2600

We are excited to start a new season. There are some things everyone needs to be aware of as we prepare for our first home game.

Masks must always be worn while on school grounds. Spectators that do not live in same household must sit at least 6-10 feet apart.

We can only have a limited number of spectators that will be allowed into games, home and away.

We are restricted to 250 total spectators for games in the stadium (Per Virginia Governor).

For HOME games Chantilly will be allotted 190 fans.

For AWAY games Chantilly will be allotted 60 fans.

We will be issuing game passes to the athletes. The athletes will bring these passes home to give to family members so they can attend the game. These game passes will be required to get into the game. New game passes will be issued for each game. Unfortunately, we cannot have people showing up to get into a game that do not have a game pass. If you do not have a pass, you will not be allowed into the game!

We will be charging \$5.00 for admission into all home events.

The school building will not be open.

At this point we will not be selling concessions.

We are not allowing outside food or drink as this would require fans to remove their mask to eat or drink.

All spectators must enter the game through the main gate between the tennis courts. The back gate will be locked.

We are hopeful that these restrictions are changed as the season goes on!
