

Charger Football Families:

Below you will find information regarding our online fundraising efforts. The notice was created by our representative from OnlineDonations, Byron Brewer. Although we do not want to over tax our families and communities with requests for funds, the fact is football is an expensive game. Please do your best to support us in this effort. Our expectation is 100% participation from our players.

On ChantillySports.org you will find a Google Form that requests player name as well as parent/guardian email address. ***Please complete the form prior to pictures on Saturday morning.*** Please return the donor email list by **Wednesday (8/23)**.

Thank you for your continued support.

Sincerely,  
Sean Curry

---

**PURPOSE:** The purpose of this fundraiser is to help each player raise \$200 and the funds raised will pay for our upcoming expenses to purchase needed practice equipment, sideline instant replay filming costs, and helmet and shoulder pad costs for the program. This is a team effort and we need everyone “ALL IN” with each player having a personal fundraising goal of raising a minimum of \$200.

**HOW IT WORKS:** Each player has a goal of raising \$200 in *tax deductible* donations. You can list yourself as a donor, and/or list up to 15 email addresses of potential donors that you feel would be willing to financially support your child and our team. We are really looking for friends and family **or people that know you**. Determine your potential “circle of supporters” who care about your child and want them to succeed at a sport they love.

- We will kick off the fundraiser on Saturday, August 19th and we need the attached donor homework returned. You will receive an email notification with access to view your child’s personal fundraising page once the donors have been added. Please return the donor homework no later than Saturday, August 19th.
- Each player has a personal goal of entering up to 15 potential donors and raising \$200.
- Each player will have a personal OnlineDonations fundraising page you can personalize with your child’s photo. You can track all donor support and post via Social Media or text to friends and family for to help reach your fundraising goal.
- A request email will be sent to each of your potential donors, on your child’s behalf, outlining the specifics of the fundraiser, and they can donate **any** amount online.
- Donors automatically receive a personal thank you on behalf of your child as well as they are emailed a receipt for their tax deductible donation.
