

Waiver of Liability and Release

In consideration of my being allowed to visit and use the property of Episcopal High School (“the “Campus”), I hereby assume all risks of injury or damages, except as noted below. I fully and voluntarily release and hold harmless, to the maximum extent permitted by law, Episcopal High School and all of its officers, directors, students, administrators and faculty (the “Released Parties”) from any responsibility for any and all losses, costs, expenses, attorneys’ fees, and damages of whatever kind or nature, for any injury to me based on my activities while on campus, unless such injury is caused solely by the intentional misconduct of a Released Party, or by an obvious and defective condition of the Campus which Episcopal High School knew about and failed to correct.

By signing below with my parent or guardian, I certify that I am fully competent and have read this waiver and fully understand it.

Should any portion of this agreement be deemed unenforceable, the remainder shall remain in full force and effect.
