**TIME: 6:00 PM - 9:00 PM**

**LOCATION: SOUTH COUNTY HIGH SCHOOL STADIUM**

<https://sites.google.com/view/south-county-football/fairfax-county-high-school-football-showcase>

## **PURPOSE**

The Fairfax County High School Football Showcase mission and vision is to promote and serve Northern Virginia in order to inspire youth and engage the community. The Fairfax County High School Football Showcase meets that mission and vision by providing a free opportunity for young student-athletes to use their football and academic skills to attend college and ultimately earn a degree. This effectively has the profound effect of changing young peoples' lives.

## **EVENT OVERVIEW**

The Fairfax County High School Football Showcase is a one-day event, in conjunction with Fairfax County Public Schools, that will bring together Fairfax County high school seniors and educational institutions in Division II, III, and NAIA programs from across the country. A series of tests and drills will be run that will best display each player's various talents at their respective positions. Following the showcase, players and universities will meet to discuss scholarship opportunities for the participating athletes.

## **HOW IT WORKS**

All student-athletes must pre-register. The participant must be a rising high school senior and who has not accepted a scholarship offer from a Division I football program.

All student-athletes must bring a copy of their, up to date, high school transcript.

All Division II, III, and NAIA athletic directors and head football coaches are invited to attend. There will be ample time for coaches to view the athletes in drills and to talk to them individually about their respective football programs.

## **SCHEDULE (SUBJECT TO CHANGE)**
