

Chantilly Football OnlineDonations.us Fundraising Campaign

Below you will find information regarding our online fundraising efforts. The notice was created by our representative from OnlineDonations, Byron Brewer. Although we do not want to over tax our families and communities with requests for funds, the fact is football is an expensive game. Please do your best to support us in this effort. Our expectation is 100% participation from our players.

PURPOSE: To raise funds to off-set costs necessary to sustain the Chantilly High School football program. Each athlete has a personal fundraising goal of \$300.

HOW IT WORKS: Each athlete should generate a list of up to 15 potential donors. Parents and guardians may be listed as well. The list should be comprised of family and friends you deem appropriate for this fundraiser. This is not geared toward strangers. All donations are tax deductible and any amount helps.

- You will receive an email notification with access to view your child's personal fundraising page. Please return the donor homework no later than Monday, September 10.
- Each athlete will have a personal OnlineDonations fundraising page that will be personalized with your child's photo. You can track all donor support and post via Social Media or text to friends and family for to help reach your fundraising goal.
- A request email will be sent to each of your potential donors, on your child's behalf, outlining the specifics of the fundraiser, and they can donate **any** amount online. Every dollar helps!
- Donors automatically receive a personal thank you on behalf of your child as well as they are **emailed a receipt for their tax-deductible donation.**
- Any other questions contact the OnlineDonations support desk at 888-741-2963 or support@onlinedonations.us
- If your family and/or friends prefer to make the donation directly to CHS, please have the check made out to Chantilly High School. ***On the memo line, write "Football" and your child's name.***

We need all athletes, freshman through seniors, to participate in this effort.

Thank you for your support.

Sincerely,

Sean Curry
Head Coach
Chantilly Football
