

Chantilly High School Sports Physical Registration Now Open!

Believe it or not, it is time to start planning for the **2022-2023** school year. The first step to participate in any preseason or afterschool athletic event is completing a VHSL Sports Physical (<https://www.vhsl.org/vhsl-physical-form/>). The Chantilly High School Athletic Training Department will be offering sports physicals at Chantilly High School on **Thursday, June 2nd, 2022**. This physical will be good for all sports and out-of-season practices (green days, yellow days, weight room workouts) for the **2022-2023** school year.

This event is a fundraiser for the Chantilly High School Athletic Training Department and goes to support the student-athletes at Chantilly High School. We receive **NO FUNDING** from the county or from game ticket sales and this event is how we raise money to purchase medical supplies (bandages, gauze, tape, crutches, splints, etc) that we use for all the sports teams for the entire school year. We provide a comprehensive physical evaluation with several stations including height, weight, blood pressure, vision screening, and orthopedic and postural evaluations performed by Athletic Trainers, Nurses, EMTs and Physical Therapists. The cost of the physical is \$50 when you register online, \$60 for walk-ins. Appointment times range from 5:30-7:30pm.

You can register by following this link: <https://forms.gle/dSNCjto7nUtkr4Uk7>

We are always looking for medical and non-medical volunteers to assist us for the event. If you are interested in helping out or have any questions, please contact me at kabishop@fcps.edu.

Thank you for your continued support!

Katelyn A. Bishop, MS, ATC, VATL
