

Chantilly High School Activities

October 23, 2017

Dear Senior Parents:

On October 27, Chantilly High School will be hosting our annual Senior Night. We will be honoring all senior fall athletes. This will occur prior to the home football game vs. Centreville. Seniors who are participating in Field Hockey, Volleyball, Cheerleading, Cross Country, Golf, Dance and Football are included in this presentation. The athletes and their parent(s) or escort are invited to meet in the Gym Lobby from 6:15 to 6:30 pm. At that time, you will be provided with an information card to be completed, which will be used for your introduction.

At 6:30 pm the athletes and their escorts will be led from the cafeteria onto the football field. Each athlete and escort will be introduced and will step forward to receive congratulations from Mr Poole, our principal and Mr. Bowerman, the Director of Student Activities. All the athletes and their escorts will remain on the field until everyone has been introduced. After the presentation, we invite you to stay for the game.

Thank you,

Corey Bowerman
