

Chantilly High School Activities

March 22, 2021

Dear Senior Parents:

On March 26, Chantilly High School will be hosting our Senior Night. We will be honoring all senior athletes on football, cheer and dance teams. This will occur prior to the home football game vs. Madison. We ask parents/escorts to arrive at the stadium between 6:15-6:25 so that you may present your pass, pay and enter the stadium. The athletes will meet their parent(s) or escort inside the stadium on the track. At that time, you will be provided with an information card to be completed, which will be used for your introduction.

At 6:40 pm the athletes and their escorts will be led onto the football field. Each athlete and escort will be introduced and will step forward to receive congratulations from Dr. Poole, our principal and Mr. Bowerman, the Director of Student Activities. All the athletes and their escorts will remain on the field until everyone has been introduced.

Thank you,

Corey Bowerman
