

Greetings CHS Tracksters, Parents, Family & Friends,

We appreciate YOU! The Chesapeake High School track and field program would like to thank you for your continued contributions to our children! Your dedication and support combined with the CHS athletics department and the CHS athletics booster program has presented our athletes with

- New uniforms
- New high jump mats
- A new Crush landing fenced in shot put area. (this will be named in honor of Retired Coach Tom Slichter all of his hard work and dedication for the athletes and students at CHS)
- New performance indicators
- New Blocks, batons and ¼ inch pyramid spikes
- Training equipment
- Trophies for School Record Awards
- Team T-Shirts

We have the premier track and field venue for AACo. And although we can't host indoor meets here, your support allows our athletes to have the equipment needed to prepare and then to travel where we can gain experience, leading up to the championship meets. THANK YOU!!!

Right now we are at the start line, in order to get to the finish we must fundraise.

*Why must we fundraise?*

Fundraising presents OPPORTUNITY!! Opportunity to travel, opportunity for new equipment, opportunity for new team shirt, opportunity for end of the season awards. Our fundraising 100% benefits our CHS track & field athletes!!

When the entire team travels there are a total of 93 people, including athletes, coaches and managers that would like a bus seat. Legally this requires 2 busses. Therefore, our transportation costs are more than the county supports for the season.

We welcome donations to the program. Please make checks payable to CHS and write DONATION for the memo. Then keep your cancelled check as your tax deductible receipt. Thank you again for your continued support!!
