

## ***Classical High School Player's Contract***

By becoming a member of a Classical High School Athletic Team, you are joining a team which will demand commitment, dedication, loyalty and focus each and every day.

The price to play athletics at Classical is great. Time, commitment, dedication, loyalty and focus are of the utmost importance. As an Athletic Staff, however, we will not ask that you do more or less than any other member of the program; just to fulfill your part of the commitment. The staff will ask no more of a player than we ask of ourselves.

We have to become a unit. No individual is greater than his/her team. If any player puts him/herself before the good of the team, disciplinary action will be taken.

We have a large task ahead of us. One Common Goal – to be the best athletic teams(s) possible in your division. Our teams have a great deal of potential, but potential alone does not win athletic contests. There has to be a consciousness of our goal. This can only be accomplished together.

This may seem premature to some, but this is the time great teams become focused. If we are to be successful, our effort must begin now!

Every individual in this athletic program must become unified. We must function together; One Common Goal. No contribution is too small. All contributions to the team are significant. Everyone is vital to the success of this program.

Some points to remember, starting TODAY:

- ◆ Focused
- ◆ Discipline
- ◆ Loyal
- ◆ Committed
- ◆ Dedicated
- ◆ Prepared

We have a strong tradition of excellence in athletics. We must work daily to maintain and surpass this tradition. You each have an opportunity to be part of something great here at Classical High School, but you must work to achieve it. The Athletic Staff will work equally as hard to help you achieve it.

### **Player Guidelines and Contract**
