### Playing Time Considerations

Various factors go into the decision-making process with regards to playing time. Each game is different and often times requires different strategies for the opposing team.

CBNA Girls soccer coaches will determine playing time and rotation. **CBNA Girls Soccer DOES NOT PROMISE OR GAURENTEEE PLAYING TIME IN EVERY GAME.** It is our philosophical position that **playing time is decided on, but not limited to, the following examples:**

- CBNA strengthens & weaknesses as they relate to the portion of the season.
- Conditioning level of the team and individual players.
- The opposing team's strengths and weaknesses and how CBNA can best compete.
- Injuries and positional strengths
- The skill set of individual players in relationship to team needs with regards to line-ups.
- **The effort and focus individual players put forth in the preceding practices and matches, including the ability to follow directions, accept feedback and coaching, as well as communicate positively with your team. Players demonstrating a negative attitude, inability to work with the team or coaching staff, or projecting a poor attitude toward the program will see a loss in opportunities for playing time.**
- Whether or not the player was timely to practice or game.
- The level of sportsmanship displayed by the players.
- The offensive and defensive needs of each of the team or game situation.
- Positional and player performance. Sometimes certain players are "in the zone" and are excelling in that game or situation.

- Girls Soccer team members who receive yellow or red cards for issues related to sportsmanship **will be required to serve a penalty** as determined by the coach and the athletic director. In addition, players will serve and complete ANY required sportsmanship penalties as ruled by the NHIAA.

○ **CBNA Athletics and Administration reserve the right to issue additional penalties above those required by the NHIAA.**

- Allow the captain or coach to be the only team member(s) to communicate with the officials regarding the clarification of a ruling.
- Accept both victory and defeat with pride, grace, & dignity.
- Congratulate the opponents in a sincere manner following either victory or defeat.
- Cooperate with the coach and fellow athletes in trying to promote sportsmanship.

### Junior Varsity:

- Players showing promise on this team may be asked to temporarily or permanently move up to the varsity team at any time throughout the season.

Those players invited up are added to the playoff roster, receive a varsity uniform, practice with the varsity team, and may potentially get the opportunity to play in a NHIAA playoff game. The goal is to reward the best JV players for their hard work, dedication, and effort.*
