ConVal High School Homecoming Weekend

Welcome to 2017 Homecoming Weekend

Mark Swasey Athletic Director

Welcome to our 2017 Fall Homecoming weekend. I am very proud of our student athletes at ConVal and the balance of activities they maintain between academics and athletics. Our teams, our band, and our cheerleaders and all extracurricular activities play a vital role in our students' experience at ConVal. The athletic fields and courts of ConVal are an extension of the classroom, which provide valuable lifetime skills that lead to success beyond high school. Athletic events at ConVal are also great community events that bring us all together to show our Cougar spirit and pride.

My sincere appreciation to the Friends of ConVal Athletics booster club (FCVA) and the many volunteers who help make our games something special. Also of course, to our coaches and athletes, who dedicate endless hours to prepare for the competitions and represent our school in such a positive light. The commitment you all make does not go unrecognized.

Sincerely, Mark Swasey Athletic Director

Messages to Our Seniors

Micah, It's been a joy watching you pursue your passion for soccer. As your skills and determination have progressed, we have visited many fields throughout New England and NY, in all types of weather, and with all flavors of lollipops. The camaraderie of your teammates (some lifelong), and your coaches has been amazing. We love you and look forward to where the next step of this journey takes you. Remember, it's all about geometry, and hitting the upper 90! Love, Mom & Dad

Matt, Congratulations on a long varsity career and all the commitment and work along the way! Make the most of this year-your last with all of these friends at one time. More than 10 years together for some of you! Hoping you all keep making memories to laugh about and remember as fun times later in life.

Love Mom, Dad, & Sarah

We are so proud of the woman you have become! We love you so much and hope this year goes by very slowly!! Love Mom, Dad and Dillon.

Sara, It's been amazing to watch you grow over the years. You are so full of life, energetic, adventurous and compassionate of others. You have such a big heart and it shows in everything that you do (on and off the field). We've enjoyed all the years of watching you play and look forward to what is next. Best of luck this senior year - have fun!! Love you always, mom, dad and Kaylin

Sydney, throughout our lives we face changes and challenges, which require us to make decisions and choices. You embraced certain tools of life that made you what you are. In sports, with fishing pole and volleyball; education, pen and laptop; career goals, with hammer and saw; or life, jeans versus dress. I am VERY proud of the way you mastered the use of your chosen tools to position yourself for continued success.

Congratulations Madeline on your senior year! We love you! Dad, Mom, Kate, Chris and Emily

Shea, Everything you've set out to do so far you have accomplished in a big way. Keep on following your dreams! Anything is possible! You make us proud! Love, Mom, Dad, Nolan, Mason, Brooke, & Grammy

Skye, we are so proud of you! Your work ethic and dedication to the things you set your mind to are qualities that will take you far in life. Your ability to laugh at yourself and not take all things too seriously will make the journey even better:) We love you ! XO mom and dad

Messages to Our Seniors

May you be proud of the work you do, the person you are, and the difference you make. Love, Mom, Dad, Nana & Meme

Isabel, Your passion for the game, your hard work, your vision and true team spirit will take you far on the field of life. Watching you play the game you love has given us so much joy. With Love and pride from your greatest fans! Love, Mom & Dad, Hannah & Olivia

Aiden, In the blink of an eye, we have watched our strong willed little boy march onto the soccer field and grow into a fine young man. There were times we weren't sure what you were aiming for, but realized those aims were always for your team, someone who was struggling or someone who needed a lift. The world will always be a better place after they are touched by your passion and heart.

Aiden, Congratulations on four years of Varsity Soccer at ConVal. We love watching you play! We are so proud of you, both on and off the field. We love you! Love, Mom, Dad and Garrett

Ethan, It has been such a pleasure watching you from the sidelines as you play soccer and as you have matured into the passionately focused and intensely honest young man you are today. We are completely confident if you study life and anything you choose to be passionate about, as intensely as you do soccer, you are going to dominate life and impact others and we could not wish more for you than this

Jackson, I have enjoyed watching you play soccer for the last 12 years and I'm looking forward to four more! You never took your eye off the ball, and I know you never will! We are all very proud of you! Love Mom, Emily and Dad, (your guardian angel) MWAH

My dearest Lizzy Lou.... How very proud you have made your father, brothers and myself. You have become an amazing young woman, a woman that has far exceeded any expectations that we may have had in place for you. Promise me that you will always remember that you are braver than you believe, stronger than you seem, and smarter than you think. We love you more than all the leaves on the trees! All our love now and forever, Mom, Dad, Robbie, Justin, Dakota, Chloe and Athena

It is hard to believe you are going to college next year! We are so proud of all you do; soccer, photography, skiing, videography and especially being a great friend and son! We will miss watching you play soccer with ConVal. You will be a success in all you do wherever you go! Enjoy your senior year! We love you! Mom, Dad, and Kai

"This is the real secret of life to be completely engaged with what you are doing in the here and now. And instead of calling it work, realize it is play." Kylie, We are so proud of you! Love, Mom and Dude

Congratulations Tim - we are very proud of you! Love, Mom and Dad
