A BIG THANK YOU!

Thank you to many volunteers that helped the athletic boosters with concessions this year. Without your support of running concessions at sporting events this year we would not have had such a successful year. We GREATLY appreciate you!

The boosters opened the concession stands for more than 100 events and raised over \$45,000 with events at the Middle School and High School.

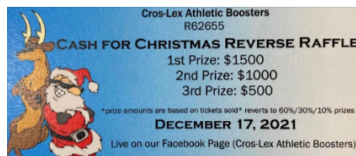

This school year we've invested \$30,000 back into our student athletes. A new scorers table was purchased for the high school gym, new signage was donated to the Middle School, a donation was given to the equestrian team, 15 new basketball bags were purchased for girls basketball, a donation to the football program for team subscriptions, a donation to the tennis team to purchase a portable ball machine and we were able to help the boys baseball program with much needed equipment.

Fundraising

Brandy Noll organized two successful fundraising efforts this year. Homecoming t-shirts were sold and a Cash for Christmas raffle. The Cash for Christmas raffle earned over \$4000 and had 8 raffle winners. The top prize was \$1500.

Meetings Held

In the 2021/22 school year twelve meetings were held. Please consider joining us in 2022/23. Monthly meetings are held the first Monday of each month at the High School. The next meeting is Monday, September 12th.
