## **EAGLE BASEBALL Important Information 2019**

Beginning Monday, March 4 we will be having try-outs for the JV and Varsity Baseball Teams. There is not an exact number as to how many players will be selected for both teams. In past years we ran into problems with playing time and satisfying players and parents. For this reason we may look at not selecting as many players to receive uniforms.

Candidates will be evaluated on the following areas: Hitting ability, Fielding ability, Arm Strength/accuracy(possible pitching ability), Running Speed, Attitude Hustle, Number of boys at a particular position or grade, and School Grades/Conduct.

I consider these evaluations very seriously and know that unfortunately feelings will be hurt. Whether a boy makes the team or not I strongly encourage the boys to continue playing ball and try out again next year. Ninth graders not chosen for the JVs have the option to play on the JH team.

The decisions will be announced as sensitively as possible close to the end of the school day on Friday, March 8. The boys will be called to the guidance office individually for a brief meeting with me to discuss the decision. At this time a written explanation will be provided as well. Please sign and return this letter so that I know you have received this and are informed of these plans.

A longer tryout period may be given for athletes still involved in a winter sport.

**PARENT SUPPORT-**For Eagle Baseball to be successful we must have parental support. Some past years it became evident we were lacking in this area and it became evident. I, as coach, felt it was detrimental to the team's success. I always understood how important parent support is in education, but never realized how important it is in sports until we had issues with it. Please encourage your sons and support their teammates and coaches. If you feel you cannot do this or plan to cause problems later, please remove your son from tryouts at this time. I feel we can be very successful this year, but it must be a total team effort.

**Player hat and shirts(2) fee-**We were not going to do a fundraiser this year, however school board policy says that they don't want people to have to pay out of pocket and we must offer a fundraiser. On the second page where we ask for parent signature in agreement there will be a question regarding a fundraiser. The total cost of each player's items will be approximately \$30. When I get the bills, I will know the exact amount. It will be the parents' choice if they want to do a fundraiser to offset the cost of the items.

**Scrimmages-**We have two scrimmages scheduled. On March 15 we play Central Mountain(both JV and Varsity) and on March 19 we play at Claysburg-Kimmel(varisty) at 4:00. Our first game is on March 25 with Clearfield, home..

**Pictures-**Team/individual photos will be taken on Thursday, March 14. All players must be in uniform for team pictures. Players are not required to purchase photos.

## **Bald Eagle Area Junior High Baseball Team Rules**

\*The following rules are in addition to the rules included in the "code of Conduct" from the "Athletic Handbook".

1. Players must attend all practices unless they are absent from school due to illness or have a doctor's appointment. Players may be excused for other reasons if it is discussed with the coach prior to the absence.
2. During practice inside players must stay in the gym unless they ask a coach to go elsewhere.
3. Any injury must be reported to the head coach and athletic trainer.
4. During the playing season if a player gets a detention, in-school or out-of-school suspension, the player will not be eligible to play on the day his detention, ISS or OSS is assigned. If there are repeated offenses, the player may be dismissed from the team.
5. During a game, if a player displays unsportsmanlike conduct (swearing, throwing equipment), he may be removed from the game at that time and will receive extra conditioning.
6. Parents or others not directly affiliated with the team may not enter the dugout or bench area before, during, or after the game.
7. Parents may not approach the coach before, during, or after practices or games. If a parent wishes to meet with the coach, they will need to schedule a meeting through the athletic office or high school principal. If a parent has an issue or question concerning an injury to their son, they may contact Coach Heverly at [gheverly@cpj.edu](mailto:gheverly@cpj.edu).
8. If a player is not content with his playing time, it is his responsibility to speak with the coach at practice. Players are not permitted to ask the coach during games if they are going to play or not. If after speaking with the coach and the player is not content, the player may then schedule a meeting with the coach and athletic director.
10. Negativism will not be tolerated by team members. If is noticed, it will be addressed. If negativism continues, the player may be dismissed from the team.
