You must print the recertification and turn it into the trainer's mailbox!

Recerts and physicals can only be turned in to the trainer's mailboxes. One is located outside the gym doors at the high school. The other is located outside the trainer's office at the high school.

All athletes must complete this online paperwork by March 2nd to be eligible to tryout on March 7th. Those who submit their paperwork late and can't start the tryout will be treated as missed practices and may not make the team.
