**IF YOU DID NOT PLAY A FALL SCHOOL
SPORT THIS YEAR**

You must register on Family ID before you get your physical. Free Physical information

As partners in healthcare with Bangor Area School District, Lehigh Valley Health Network (LVHN) and Coordinated Health, a part of LVHN, are committed to a safe return to athletic participation after COVID-19. We realize the unique challenges faced by families and school districts during this time and have teamed up with your school to keep our promise of delivering free, convenient physicals for all student-athletes.

Typically, physicals are provided at schools but with the influence of COVID-19, we will instead be offering free physicals at many of our convenient locations. These physicals will be done on an individual basis and appointments will be scheduled ahead of time. Appointments will be scheduled starting on October 19th, and will run through the beginning of winter sports.

How does this benefit you, the athlete? Our updated system is:

- **Convenient.** Schedule your free physical where and when it works for you.
- **Safe.** With strict cleaning and screening protocols in place, LVHN puts the **safety of our patients first.** [Learn more.](#)
- **Easy.** Click here to access our rapid appointment request form. [Register now for a free PIAA physical.](#)

At LVHN and Coordinated Health, we're excited to get back to sports and can't wait to join our school partners for the thrill of another season. No matter what you need this season, we're here for you.

Don't forget to print out your 2-page completed PIAA physical

IF YOU DID PLAY A FALL SCHOOL SPORT

Log on to Family ID with your email and password. Select the correct participant, answer the questions and submit. **You must print the recertification and turn it into the trainer's mailbox.**

All athletes must complete this online paperwork and physicals/recertifications by November 16th to be eligible to tryout on November 20th. Those who submit their paperwork late and can't start the tryout will be treated as missed practices and may not make the team. Physicals and recerts must be turned in to the trainer only! You can drop it off in their mailbox either outside the high school gym entrance or outside their office in the high school.
