

TEAM SELECTION

All players will be included in the roster. Eight players will compete in the varsity matches. It will be the coach's decision as to which eight players will compete in a given match.

The team selection will be based on the following criteria:

- *Exemptions to any player(s) that qualified for the district or state tournament the previous year.*
- *Exemption to any player(s) finishing in the top 5 of the Colonial League tournament the previous year.*
- *Consideration of the preseason tryout rounds. (6 low scores will automatically qualify for the first tournament)*
- *Two players will be coach's pick based on an evaluation of the player's skills, experience, and potential for improvement.*
