Camp Philosophy

The Walton-Verona Youth Soccer Camp will emphasize the fundamentals of the game of soccer, both individually and in a team setting. The Walton-Verona boys and girls soccer coaching staff, as well as players, will strive to ensure every camper has an enjoyable experience while still being challenged. The camp will develop the skills necessary to be a quality soccer player regardless of age, gender, or skill level. Most of all, our camp's goal is to foster a love of the game. The camp is open to all youth players in NKY!
