Dear Friend of Butler Wrestling,

The upcoming 2022-23 wrestling season will mark my 30th season as the Head Wrestling Coach at Butler High School! Prior to my time here at Butler, I spent seven years at Slippery Rock University as a wrestler and coach, and six years wrestling in high school. Forty-three years after I began wrestling, I feel as passionate as ever about what the sport provides the young wrestlers I work with. In addition to building winners on the mats, I believe the characteristics we are developing will carry on throughout their lives. I am eternally grateful for what wrestling has given me, and want to pass it on to others!

This past season was a banner year! Our varsity team finished with a 19W-4L record and qualified for the WPIAL Team Championships finishing with a top 20 in the state ranking. The team won the 30-team Southmoreland Tournament, the 30-team Chartiers Houston Tournament, went 4W & 1L at the Clearfield Duals, and also placed 3rd in the Virginia National Duals! Heading into the 2022-23 season, our varsity line-up looks to be well balanced with some upperclassmen that look to lead the team and make noise in the post season. The junior high team went 15W-1L, winning the Seneca Valley Tournament, and the South Fayette Tournament, placing 2nd at the Butler Duals, and 2nd at the North Allegheny Tournament with 32 teams competing! We also have quite a talented line-up at the junior high level returning. Finally and equally as important, our elementary program has grown to over 80 wrestlers. We sent several of those kids to states this year! All that being said, I am very excited to see what next season produces!

Our goals this upcoming season, will be to continue to support the roughly 140 members of all three of those levels in our program. Financially, we will have overnight stays at five varsity tournaments including our travel to the Virginia National Duals. We will also look to continue to build our teams by replacing equipment, providing scholarships, and providing an affordable registration fee for our elementary families.
