

**LEBANON INVITATIONAL**  
**@ Lebanon Middle School**  
**SATURDAY, SEPTEMBER 9th, 2023**

Dear Coaches,

I would like to invite you to attend the Lebanon Yellowjacket Invitational. **We are excited to be hosting the meet on our middle school campus again this year. The start/finish is located on multiple soccer fields, it is connected to a city park and also connected to Mo. Conservation land with maintained trails.** These trails compose of about 1 mile of the course on crushed rock, keep this in mind when advising your kids what shoes to race in. We will use a chip timing system for this race. We will also have plenty of parking with the school and city park. We will provide a great atmosphere for everyone involved including concessions and t-shirts. .

**DIRECTIONS:** The middle school is right off Interstate 44 exit 127. The school is Southeast of the exit and can be seen from the Interstate.

**COURSE:** The course is mostly in a newly developed park. I would consider the course flat with a few small hills. The course will run on conservation trails that are made up of crushed packed rock. We will traverse a few sidewalks, but we will place rubber mats over the sidewalks to make an easy transition. We will have a large area near a walking track that will provide a good viewing point for spectators.

**FEES:**

- High School-** \$100 total for all divisions.
- Middle School-** \$50 per school total for both divisions
