Format: The tournament is a dual match format. Each team will play the other teams in a dual match format. Each dual match will be assigned 3 courts to complete their dual. You will play 3 doubles matches and then 6 singles matches. You may double back your singles players to play doubles., but you may play as many players as you want. You can play 6 in singles and another 6 in doubles if you chose to or, you can play 6 kids in 1 dual match and another 6 in another dual. Matches will be decided in 6 game no add scoring format with a 7 point tiebreaker at 6 all in doubles play. Scoring in singles will be 4 no ad with with a tiebreaker at 4 all. We may adjust singles scoring to 10 point tiebreakers if time becomes an issue. My goal is to get a lot of kids some good quality matches that they don't always get.

Awards: 1st and 2nd place trophies will be given.

Schedule: All first round matches will start at 8:00am, so if you would like to warm-up you must show up to the invitational early. There will be a brief coaches meeting at 7:50am. A 5 minute warm-up will be allowed with your opponent.

All matches will be at Lebanon High School!!

Lunch: Please, have your kids bring lunch or have a plan for someone to bring food to the kids. Kids can eat in between matches, but we are going to continue play through lunch. Teams can eat when not playing or during their bye.
