Dear Parent or Guardian:

Photos and videos of our students who are involved in a variety of school-related activities are taken by and used by our local newspapers and TV stations. Our coaching staff, yearbook staff, and parents assist in recording videos and taking photos that are used on our own Educational Cable Channel, school website, booster club website, team website and in the various school related web pages.

We are very proud of our school and particularly of our student athletes. These lines of communication allow our program and the district to recognize our student's achievements – especially on our own website and cable channel. As the parent/guardian of a Crawford Central student, we ask your permission to include your child's photo on the above mentioned websites and all other print media. We also ask your permission to allow your child to be videotaped by our own employees for broadcast on the school channel and by local TV news & newspaper outlets

Please sign the form below and check the appropriate box to indicate if you **do** or **do not** want your child's photo or likeness to appear in any of these media venues.

Thank you.
