

# OWEN J. ROBERTS (9TH GRADE FOOTBALL)

## TEAM RULES, EXPECTATIONS AND CONSEQUENCES

### 1. Practices

- ✓ Coaches determine when practice is over. If everyone gets to the field on time, we will end on time.
- ✓ **FOCUS!** When at practice, we have things we want to accomplish; wasting time will only hurt the team and will affect your playing time.
- ✓ Coaches determine what will be done in practice, do not argue over the structure and organization of practice.

2. Every player should be dressed and at the field by 2:40. After 2:40, you are considered late and you must have a note from a teacher.

### 3. Practice/Game Attendance

- ✓ Please try to schedule appointments after practice/game is over.
- ✓ If you must miss practice/game, you need a note.
- ✗ *Frequently missing practice/games, showing up late, and leaving early will result in game suspensions and could lead to dismissal from team.*

### 4. Bus Rides

- ✓ For dismissal, please be sure to get to the bus on time. Go to your locker ASAP and be at the bus early.
- ✓ If there is an important reason for players to leave with parents, we need a parent signature on the roster next to the players name before the player is dismissed.
- ✗ Leaving games with ANYONE other than a parent is STRICTLY PROHIBITED!

### 5. Behavior - You represent the school at all times!

- ✓ **RESPECT!** Players are expected to treat coaches, teammates, umpires AND opposing team with kindness and respect.
- ✓ Examples: cursing, arguing with ref's, coaches or other players on the bench
- ✗ Any conduct that is rude, disrespectful or inappropriate may result in game suspension.

6. **RESPONSIBILITY!** Everyone on the team is responsible for equipment and set up/breakdown of the field. As well as equipment to and from games. The team equipment is *Priority #1* before your own equipment.
