

# OJR Softball Team

Dear parent(s) / guardian:

This letter is to inform you that as a student-athlete your daughter has certain expectations to meet and maintain while participating on the OJR Softball Team. The school district as well as the PAC's academic and discipline codes will be adhered to at all times. We have provided a "team expectations" sheet and discussed each point with the players.

The rationale for this letter and "team expectations" sheet is to provide a clear set of guidelines identifying the key responsibilities of being a student-athlete for our softball program. Each player needs to maintain their grades and display appropriate behavior on and off the field. The coaches will make every effort to develop not only the athlete's game, but also the player's appreciation and love of the game. However, should the student-athlete not meet the obligations then corrective steps will be taken based on an incident by incident basis.

Thank you for your time and consideration on this matter. We as coaches, as well as parents of softball players ourselves, appreciate your support and look forward to the season. If you have any questions or concerns please feel free to speak to us after a practice.

Respectfully,  
Elizabeth Fallon  
MS Head Softball Coach
