

Penn Hills Golf Team 2019 Try-out and Practice Information

PHYSICAL EXAMS – No one is permitted to try out without a physical exam after June 1, 2019. There are two dates over the summer to get a free physical exam by the school physician: July 22 at 8am in the High School Nurse's Office and August 5 at 8am in the Linton Nurse's Office. You must have the physical packet completely filled out in order to get a physical by the doctor. You could also get a physical from your family doctor or from any other site offering school physical exams. They simply need to sign off on the form inside the packet.
